

CERTIFICATE OF ANALYSIS

Product Name:

0.10 mol/L

Ammonia Standard

Product Code:

HI 4001-01

Lot Number:

7449

Expiration Date:

March 2019

Date of Analysis:

05/03/2014

Ref. No :

Appearance:

05 C42

Method of Analysis:

colourless titration

Assay:

0.100 mol/L

Measurement

Uncertainty:

± 0.002 mol/L

The value reported on this Certificate of Analysis is the result obtained at date of analysis. The evaluation of these data is based on Standard Methods.

The certification of this solution is valid until the expiration date of this product, within the measurement uncertainty specified, provided that the product is stored in a dark cool place. However, the certification becomes invalid if the product is damaged, contaminated or modified.
